In this movie you can see rocket singh: salesman of the year full hd with English subtitle this movie belongs to the genre action, and it was released in first of march, 1985. Im the salesman. You are the customer. I represent american furniture. See how american furniture helps my life. I have this huge job interview coming up. Im trying to get that deal but that. Ive been dreaming about it for 20 years. Im sure its a great job. Ill get everything I want at. But thatd be like showing up for a date with a horse. Im not sure Im ready for that kind of commitment. I want to find the right girl first. But theres an opening. Hes the perfect guy.

Why you be wasting your time with that guy. Mr. Cellophane. Theres something I want you to know about that guy. Hes a compulsive liar. Dont be taken in by his charm. If you arent careful, youll end up marrying him. Heres the deal. Im a salesman. My job is to meet as many people as I can, and knock them dead, and sell them a bill of goods. In other words, sell my boss,

american furniture, on their crap. I work at the big furniture store on the corner of pike and main. A lot of those same faces come in every day. Im always looking around for the next big thing. Thats when Im running into jack. Hes into music. He plays the trumpet. I introduce myself. I start to sell him on american furniture. I tingle him up. Hes an easy mark. He wants to make money. Ill get him to buy a new. In return, he tells me about his group. The jazz ensemble. Im impressed. He tells me hes had a big dream. He wants to be the first black trumpet player to win the talent search. I pretend to be sympathetic. Hes too late, Hes already on his way to the finals. I tell him hes got nothing to worry about. Im willing to help. I get him to do me a small favor. A token. Im calling him up tonight, to make sure hes going to show. Hes going to blow the judges away. When he does, Im going to spring him from that boring job of selling crap. Its going to be his big break. By the time hes on his way to the finals, hes going to want to spend the rest of his life selling american furniture. Rocket 82157476af
